

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE ESTABLISHING RATES AND CHARGES  
FOR THE USE AND SERVICES RENDERED BY THE  
WATERWORKS OF THE TOWN OF KOUTS

WHEREAS, the Town Council of the Town of Kouts, Indiana ("Town") has previously adopted Ordinance No. 2022-7, establishing the current water rates and charges for the use and services rendered by the waterworks of the Town, which rates and charges are codified in the Town's municipal code ("Code"); and

WHEREAS, the Town Council of the Town finds that the existing rates and charges for the use of and services rendered by the waterworks of the Town are insufficient to enable the Town to properly operate its waterworks plant, to provide funds for depreciation and sinking fund requirements, and to provide funds necessary for replacements, improvements, extensions and betterments, as set forth under IC 8-1.5-3-8, and that the existing rates and charges should be increased; and

WHEREAS, the Town has caused a rate study to be completed by the firm of Kleinpeter Financial Group, LLC, and based upon such rate study, the Town Council of the Town finds that certain rates and charges contained in the Code should be increased;

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF KOUTS, INDIANA:

Section 1. The rates in § 51.16(C)(1)-(3) (*Metered rates, Fire protection services, and Municipal water fountain*) of the Code are hereby amended and restated as shown on Exhibit A attached hereto and incorporated herein by reference.
